Stop and smell the flowers on your next vacation in these gorgeous gardens across the globe.

From the colorful tulip fields of Keukenhof Gardens to the ephemeral pink blooms of Japan's Cherry Blossom Festival, the world's most beautiful gardens come alive in the spring. Relax on your next vacation by wandering through gorgeous garden paths fragrant with flowers. If you can't get away in the Spring, year-round you can find botanical delight in glass conservatories housing exotic plants from around the world. If you're a green-thumbed garden enthusiast or just enjoy pretty flowers, plan your next getaway to one of these beautiful gardens.

The Classical Chinese Gardens of Suzhou

To immerse yourself in tranquility, [travel to Suzhou to explore some of China's most beautiful gardens](#). Home to 9 classical Chinese gardens designated as UNESCO World Heritage Sites, Suzhou is a short trip by bullet train from Shanghai, but worthy of a [longer stay](#). Like living poetry, glassy ponds spanned by delicate bridges create a harmonious atmosphere in the Humble Administrator's Garden. Take your time in the Linger Garden to admire Qing Dynasty landscape aesthetics and sooth your soul with ancient trees and elegant rock formations in the Master of the Nets Garden.

Camille Meyers

As a writer with wanderlust, I've explored ancient temples in Cambodia, photographed elephant-dotted plains in Kenya, and penned lines in cozy Scottish pubs. Before landing on the Expedia Team, I worked with falcons in the jungles of Belize as a conservation biologist. I love writing about life-changing travel experiences and helping people plan their next great adventure.
