

Start the new year right by planning a stay at one of the many long-awaited hotels before they book up.

The new year's new crop of luxury and boutique hotels has us jumping into 2020 with eager anticipation and our passports ready. From a floating spa hotel in Swedish Lapland to North America's first landscape hotel, check out the best hotel openings of 2020 before planning your travels.

# Villa Copenhagen

---

**WHERE:** Copenhagen, Denmark

---

Set inside the stunning former headquarters for the Danish Post Office, the brand new Villa Copenhagen will be enveloped in a historic ambiance when it opens in April after a dramatic transformation of its 1912 building. Eco-friendly accommodations include 390 guestrooms and suites, and an opulent Earth Suite made exclusively with sustainable materials.
